

Prayer Commitment Card

Join us in praying for the following areas related to the Capital Campaign as well as anything else the Holy Spirit may be laying upon your heart...

...Pray that God would continue to affirm the decision to engage in this campaign and that He would redirect our path if we get off course from what He intends.

..Pray for the Capital Campaign Committee members; for endurance and wisdom.

...Pray that as a congregation we would understand how money relates to ministry and not just to stuff, that we would give and get excited about this campaign because of the opportunities that we will continue to have for ministry in downtown Minneapolis.

...Pray that God's people at FBC will give to the Capital Campaign over and above their regular giving, sacrificially.

...Pray for additional fundraising opportunities to be generated, for the ability to hear/see/sense God's leading, for opportunities to come to us without going after them, for clarity and discernment when considering other funding opportunities.

...Pray that God will provide the resources needed, in whatever means that is His will.

...Pray that God's people at First Baptist Church will use the Capital Campaign to get more involved in the church, church activities, outreach and evangelism.

...Pray for volunteer support for the campaign for prayer, communications, the pledge drive, and events.

... Pray for the potential outreach events and fundraisers that will be a part of the campaign, that the Lord will open those doors of opportunities to not only raise funds but open doors to new members.

...Pray for God's provision in ways that we have yet to consider.
